Foreword

Magazines are human. They have personalities of their own, quite different from what the editors intended and different too, in a half-human way, from the personalities of those who live and love in their cubby-holes.

We have chosen magazine titles for the theme of our 1953 Tiger because they illustrate humanly and vividly the varied personalities, activities, and student life in our school.

We, the annual staff, hope that this book will preserve for you the memories of all the personalities you hold dear at Texas Senior High School.

MRS. H. B. LOOMIS

Dedication

"The moving finger writes,
And having writ, moves on."

This quotation has left a lasting impression upon the minds of young people who have graduated from Texas Junior High School during the past five years, but the lady who quoted it had left an even greater mark upon the minds of these young people. Mrs. H. B. Loomis has an outstanding place in the school day memories of the 1953 Seniors, for she was the sponsor of this class when it graduated from Junior High in 1950. Recently the moving finger has written the name of Mrs. Loomis in the book of gold; the finger moves on, but her memory still lives and will live forever. The annual staff of 1953 lovingly and respectfully dedicates this annual to the memory of Mrs. H. B. Loomis.

Superintendent's Message

Graduation for one of the finest groups of young men and women I ever knew - and the beginning of a new career in education or in business for them. My rich reward has been in knowing them, and working with them. May their reward be success in their endeavors, for they merit all that the world can give them of the good.

Principal's Message

We are grateful to everyone who has in any way helped to make Texas High School contribute more richly to the lives of the students. The progress of any school is determined by the constructive cooperation of the patrons, the teachers, and the pupils. To the Seniors who are leaving and to those pupils who are to be with us again, we wish to express our thanks for your assistance in the progress of our school. May the rich blessings of better service to your fellow man and to God be your heritage from this school.

Summary

The Tigers lost their first game of the season to the mighty Baytown Ganders 42-6, after holding them to a standstill the first quarter. The next week the Tigers, who were ready for anybody, bounded back to take Little Rock 19-14. The game was climaxed by a 35-yard run by Bowerman with one shoe on!

The Bengals, still going strong, defeated the Forest High Lions and the Tyler Lions 37-19 and 20-0 in that order.

In the next game the Myersmen fell into a slump when they lost to Highland Park 20-0. Costly fumbles accounted for a defeat at the hands of the Gladewater Bears, 26-7.

The Tiger attack really clicked as they shattered the confident Longview Lobos in a bruising 33-14 victory.

The Bengals stayed in the District 4-AAA race when they downed Kilgore 20-6.

The Tigers spoiled Marshall's homecoming by mauling the Mavericks 33-6 in a classic that resounded throughout the district and scrambled the race into a three-way tie. Bobby Jester called the best game of his career that night.

The Myersmen swamped Nacogdoches 42-0 in the Turkey Day tilt. Little Brooks Fowler repeatedly gave the tailback misery as he rushed from defensive end. Throughout the season the great Tiger line was sparked by Neil Martin, Don Burnsed, Thurman Fish, Charles Moore, Louis Mathis, and Bobby Lee.

Having been elected to represent the District in the State race, the Bengals easily took the Bi-District title with a win over Denison 28-7. At Denison Alan Trimble really went wild, scoring all four touchdowns.

The next week the first Texas High team to reach the Semi-finals hit a stone wall against Breckenridge, who won 34-7 and went on to win the State crown. The Tigers ended the season with 8 wins against 4 losses.

District Champs

Summary

Because of a long football season, the Tigers were not expected to go very far in their basketball. Although the Tigers had been out only three days and Arkansas had been out two weeks, they made a good showing.

After three warm-up games with New Boston and Hooks, the Tigers played their first conference game against Longview. They played a tight game to the last until Don Bowerman sank a free throw in the last twenty seconds to cinch the game.

In the last few seconds of the second game with Arkansas Bobby Jester came through with a charity toss that won the game 41-40.

The Tigers edged Nacogdoches by two points.

The game with Gladewater was also a close one but the Bengals came out on the wrong end of the score.

The Bengals tried hard against Kilgore but fell before a spirited team 48-55. To lose one more game would put the Myersmen out of the district race.

The Tigers recovered the next week when they licked Marshall 57-48.

The second game with Longview was a tough one that had to be won in an overtime period, Barry King came through in the overtime period to ice the game with a free throw.

Nacogdoches offered little resistance on the Bengals' home court.

The Kilgore boys looked good--and were, but the polished Tigers calmly went out and controlled the backboard most of the night. Charles Purtle led the Tigers scoring with 17 points.

As the clock ticked off the last exciting seconds of the Gladewater game, blonde Barry King sank the winning set shot. Carter Williams dropped in 35 points while Bobby Bledsoe held the Big Marshall scorer to almost nothing. There were few games in which Carter made less than 20 points!

The Paris Wildcats won the last two out of three Bi-District games with the Tigers.

Summer 1953.

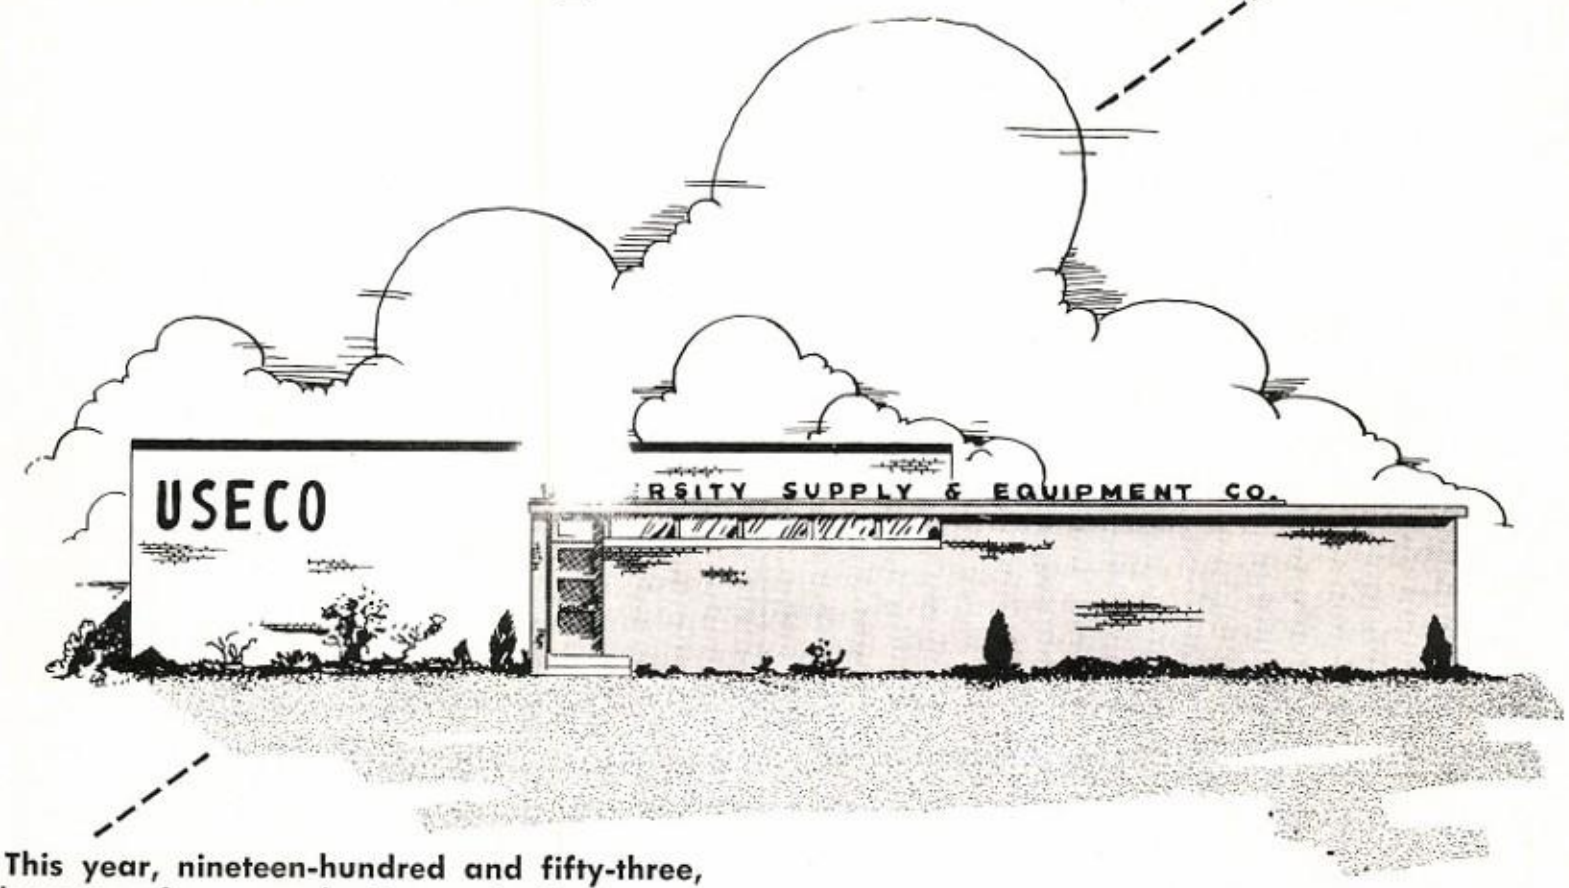
Another Step Forward.....



This year, nineteen-hundred and fifty-three, finds many of you graduating and others moving up to take your place as next years graduates.

Through the commendable efforts of the teachers of our great America, you face the world of tomorrow with greater confidence and ability, capable of taking your place with your fellow citizens.

We at USECO are most happy to have played a part in recording your treasured memories of 1953 and have utilized every skill at our command to present you with a book you'll cherish through the years.

May we all feel justly proud of our accomplishments and remember them as, "Another Step Forward!"
